ABMB, unless otherwise noted.]*

SHEPARD FAIREY, despite his ongoing legal troubles, soldiers on with two major projects in Miami. His *Arab Woman* banner will grace the exterior of the Miami Art Museum, and a new mural will be on a wall outside the Fountainhead Residency, 690 NE 56th St., a joint project with MAM and Country Club gallery in L.A. Both projects are on view Dec. 3-6. ○
